This anomaly of stormy summer weather propelled our course into discovering a spot of sunlight. We skipped rocks, felt raindrops and brewed a bright double-dry-hopped juicy IPA. Savor the flavor, endure the unpredictable and skip the raindrops with this fruity Summer IPA.

Crane's Castle Brewing-Bremerton

1) Otto Lang's Bohemian Pilsner (ABV 5.3% / IBU 35)

A full-bodied pale lager made with German malts and Czechoslovakian hops. Gold in color and brilliantly clear, with a dense, long-lasting, creamy white head. Rich, complex maltiness pairs with a spicy, floral hop bouquet and a pronounced yet rounded bitterness from a healthy dose of Saaz hops. The aftertaste lingers on the palate; balanced between malt and hops. This lager is crisp, complex, and well-rounded – in a word: refreshing.

2) Good Harvest Vienna Lager (ABV 4.9% / IBU 24)

A year-round favorite, this is great beer to celebrate with whether at a harvest festival or just the end of a long Tuesday. This amber lager combines the smooth German flavors of pilsner, vienna, and munich malts with the spiciness of the noble American hops Mt. Hood, Santiam, and Sterling. Balanced perfectly between sweet and bitter this is a real crowd pleaser.

3) Starry Night Belgian Wit (ABV 5.2% / IBU 17) (FRI)

One of the lightest beers on the planet, pouring a pale yellow and sporting a creamy white head that, together, give this style its namesake "white" color. Slightly hazy from the oats, which also lend a silkiness to the overall mouthfeel, this is truly a sight to behold. Intense citrus flavors and aromas from two generous doses of orange peel and coriander, with just a hint of zesty hops and that phenolic funk Belgian beers can be known for. The malt is nearly half Washington grown barley, with domestic wheat and oats rounding out the simple profile. Washington grown hops provide just enough edge to keep the sweetness from getting out of hand. This local interpretation on an Old World style is refreshing, light, and an all-around easy drinker.

4) Doppie Tropple Dopplebock (ABV 8.6% / IBU 21) (FRI)

A winter warmer if ever there was one! This is our biggest lager beer, and with an appropriate amount of aging the alcoholic bite is tamed into a warm tingle on the way down. In the glass it presents a lovely chestnut color with a tan head. Originally created as a means to provide sustenance during the cold winter month, this beer is a malt bomb with just enough hoppy bitters to take the edge off the pronounced sweetness of the beer. It has a heavy body and complex malt flavors befitting the style.

5) Prerequisite West Coast IPA (ABV 7% / IBU 71) (FRI)

Whether providing an IPA (or three) is a requirement of being a craft brewer in the Pacific Northwest, or drinking one at the start of the night is just par for the course -- you'll be pleased to try our full strength, West Coast American IPA . Amber-red in color with a pleasant backbone of malty goodness and plenty of citrus/grapefruit and pine aromas jumping out of the glass. Oh, also it's bitter – not

quite enough to make grown men cry (we'll leave that to the Double IPA), but the "I" in IPA stands for IBUs, right? We used the classic west coast hops, Chinook, Centennial, Cascade, and Crystal because if it ain't broke, don't fix it.

6) Double Puddle Brut IPA (ABV 8.5% / IBU 39) (FRI)

Another Experimental IPA in the "Puddle" series. This is an extremely hop forward beer with an extra dry, almost champagne-like finish. We use Amarillo, Simcoe, Eureka, and El Dorado hops to maximize the tropical and dark fruit flavors in this playful summer beer. Brewed at normal IPA strength but fully fermented (through the practice of arcane knowledge and just a hint of dark magic) to boost the alcohol content by up to 2% ABV – you're welcome!

7) Erin's Dream - Coconut Porter (ABV 5.5% / IBU 41) (SAT)

How do you make porter a summer beer?

This porter pours almost black, with garnet highlights and a dense white head. Toasted coconut followed by roasty aromas, a light black malt character, and supporting dark chocolate/coffee notes before finishing with another hit of coconut flavor. A substantial, malty dark ale with a complex and flavorful roasted character; and did e mention...coconut?

8) Wee Tipple Strong Scotch Ale (ABV 7.8% / IBU 20) (SAT)

A dark copper hue with an off-white head invite you to sip this brew, and you're rewarded with a burst of sweet, caramelly malt flavors. This beer is fermented at the cool end of the yeast's range for a smoother blending of the malt flavors and alcoholic bite; and contains just a hint of peaty smoke in the finish. We used a small charge of flavoring hops for a more complex and luxurious overall impression.

9) Fuzz Puddle NEIPA (ABV 6.5% / IBU 35) (SAT)

Another Experimental IPA in the "Puddle" series. This is hop forward beer sports a hazy, wheat-like appearance and a rough around the edges flavor. Tons of Amarillo, Eureka, and El Dorado hops make an appearance late in the boil for the full flavor without the over-the-top bitterness and a fruity impression. The addition of oats contributes a silky mouthfeel and lovely lacing in the glass.

10) Bard's Beard Barleywine (ABV 9.2% / IBU 53) (SAT)

Brewed with an eye to the classic British traditions (but thankfully on modern equipment) this beer is a labor of love and an expression of the brewery's values. Strong and intense; simple in its crafting yet complex in flavor. We start with a base of English Floor Malt (Maris Otter) and that's it for the grain bill. No tricks, gimmicks, or secret ingredients here. The same can be said for the hopping schedule - which calls for nothing more than East Kent Golding, added at three points during the boil for maximum impact. A longer than normal boil and the increased sugars in the boil creates a complexity of malt flavors from the simple grain bill. A slow and cool ferment keeps the development of harsh or "hot" alcoholic flavors to a minimum. After sufficient time in the "cellar" the end result is a well balanced beer whose smooth profile hides the strong punch this beer packs. The pour is a deep golden color with a clean white head. Earthy hop flavors and aromas mingle with the bready/grainy scents of the barley itself. With it's full mouthfeel, your are encouraged to sip this rare delicacy - preferably in front of a fire and/or surrounded by loved ones.

Sumerian Brewing Co.—Woodinville

- 1) **Hopruption Double IPA (ABV 8.0% / IBU 95)**
Multi-award winning Double IPA: 2016 Silver Winner at WA Beer Awards, Double Gold Winner in 2017 from SIP Magazine, and a 2018 Bronze Winner at WA Beer Awards. This beer is hop loaded from start to finish with a base of Cascade and Centennial. Then we double dry hop it with Mosaic and Citra which creates a rich mouthfeel and clean balance.
- 2) **Hysteria Hazy IPA (ABV 5.8% / IBU 45)**
Tinged straw color with a massive haziness in glass. Touched with a slight bitterness in the boil. We then shifted our focus to the hops that would give it the most flavor we could! Late whirlpool hopping of Mosaic and a sprinkle of Cascade add to the early mouthfeel. We then added many more Mosaic hops to the multiple dry hopping sessions. Giving the beer an intense tropical, citrus flavor of that wonderful showcased hop.

Ten Pin Brewing—Moses Lake

1) Groove Pineapple Wheat (ABV 5.8% / IBU 25)

This ale is the result of our collaboration with the Moses Lake band, Dimestore Prophets. The beer takes the easy drinking smoothness of an American wheat ale, adds just enough Mosaic hops to brighten it up with tropical fruit aromas, and takes it home with a fresh pineapple squeezed into every case.

2) Gutterball Hazy Pale (ABV 5.5% / IBU 35)

We threw a lot of gutterballs to get this perfect strike of a Pale Ale. Juicy, smooth and hazy with a hoppy floral bouquet. Citra and Ekuanot hops give flavors of starfruit and lemon zest.

3) Guava Gose (ABV 5.3% / IBU 10)

This 2019 WA Gold medal winning gose features the unique tropical flavors of pink guava and hibiscus which combine pleasantly with the usual salt, coriander and tartness of gose.

4) Mandarina Blonde (ABV 6.1% / IBU 24)

Our Blonde Ale is brewed with, and dry hopped with, Mandarina Bavaria hops and sweet orange peel. You'll notice aromas of tangerine, orange and citrus.
